To request a partner discount voucher for a certification exam, please follow this process:

- Go to the [Databricks Help Center](#)
- Provide the requested information
- For Training Issue, select 'Certifications'
- For Subject, please type 'Partner Certification Voucher Request - [Certification Name]"
- For Message, please type 'I am with [name of partner]. I am requesting a partner certification voucher for [Certification Name]. Please send voucher to my work email address - [work email address]"
- Note - vouchers will only be sent to an email address that includes a partner email domain - do not use a personal email address
